December 10<sup>th</sup> 2019

Contributor: \_\_\_\_\_

This year has been a year of jubilee, as we look back, we have tears of joy as we collectively celebrate our accomplishments, we have helped a staggering 13,201 online applicants for emergency housing and other essential services and it's all because of your charitable giving.

Our 2020 goals include phase II expansion of our private Christian school exclusively for homeless children, hosting summer camp and our new initiative "life college" to provide coping tools for children who are bullied and contemplating suicide. Focusing on grades 2 through 11. Because of your love for God, Jars of Clay and the children that we serve you have made a difference in our city, state, country and ultimately the world! What more can we do together next year?

All this and more was made possible by your charity, thank you for giving us the opportunity to serve as local missionaries.

**Please keep this for giving records and receipts.**
